

Webinar No.10

Cognitive Impairment in the Emergency Department (ED) and Intensive Care Unit (ICU)

Date: Tuesday 11 September 2018

Time: 3:00pm – 4:00pm AEST

Venue: Webinar will be broadcast across Australia

Our tenth webinar will be of interest to those who would like to understand how safe and high quality care is provided in ED and ICU settings for patients with cognitive impairment or at risk of delirium.

Presenter: Glenn Arendts, Associate Professor Emergency Medicine, University of Western Australia

Presenter: Marghie Murgo, Senior Nursing Advisor, ACSQHC

Presenter: Michael Reade, Professor of Military Surgery & Medicine, Royal Brisbane Clinical Unit, Faculty of Medicine

Facilitator: Anne Cumming, Principal advisor, Cognitive Impairment, ACSQHC

Overview of presentation:

The webinar will outline why and how to identify cognitive impairment (including delirium) in these settings and strategies that can be introduced to minimise risks of harm and prevent delirium.

There will an opportunity to ask questions of the presenters.
